HOLLYWOOD HILLS, Calif. — Universal Furniture, Miranda Kerr, Crypton and One Kings Lane celebrated the retail launch of Kerr's newest furniture collection with Universal: Tranquility.

The new collection is the model/actress' second with the company and is available online exclusively with One Kings Lane, as well as at select retailers across the country.

Inspired by modern Parisian style, Tranquility is defined by soft organic curves and waterfall edges, Mappa and Madrona burl veneers, white lacquer and textured plaster finishes, with a touch of rose quartz.

The launch event was held Feb. 29 at a Hollywood Hills home, with celebrities and influencers from fashion, beauty and interior design on hand, including Rachel Zoe, Bobby Berk, Justina Blakeney and Hilary Rhoda.
